Comments: The road James Street junction Hollincross Lane is a bottle neck. Passing at 7.15pm last night traffic was coming from Charlestown Road, Hollincross Lane and James Street. Cars come from Sunlaws Street to avoid traffic on the main street. In a morning you have children coming down by the church on the narrow footpath from Whitfield to go to St. James School. I STRONGLY OBJECT to these houses being built. This area is very congested.
