Submission: Objection

Comments: The proposed application to build more properties on this site is most unacceptable, & detrimental to the well being of the area. Hollin Cross & Pikes Lane are already over loaded with residents' vehicles, making moving around both dangerous & difficult, especially for families walking to & from St James' School. In addition, the infra structure of the town is inadequate to cope with any more traffic. Getting in & out of the town other than in the dead of night, is horrendous, & Glossop. is well known for being somewhere to avoid by people outside the area, due to the queues of traffic. Adding more road users in my opinion is irresponsible.
