ACHIEVING • EXCELLENCE

Conservation Response.

Date: 16/02/2023.

File/Application ref: HPK/2023/0024. .

Case Officer: Rachel Robinson.

Proposal: '2 Storey side extension and works to windows at the rear'.

Address: 1 Princes Road, Chinley, Derbyshire, SK23 6AB.

Dear Rachel,

No issue with this in principle. However am not sure of the choice of render for the side of the extension (proposed west ele). Stone coloured render in close proximity to the trees and under tree cover has the disadvantage of turning a dirty mucky colour and can become rather unsightly. I feel this would cause some visual conflict and make this vicinity look slightly depreciated.

I think perhaps for the extension to be successfully integrated it would be preferred if it was matched. A recon stone may suffice subject to specification.

Regards,

Miss E Holland.
Conservation Officer.
