OFFICIAL

Hi James,

I understand you are the case officer for Network Rail's application DOC/2023/0006 to discharge Condition 3 relating to HPK/2022/0342 (Bridge BEJ42, Buxton Road, Whaley Bridge).

We would welcome the council's feedback on the submitted mortar details, as we will shortly commence masonry reinstatement to sections of the abutments and pilasters necessarily removed during the bridge replacement works. If you are able to provide an ETA for a likely decision that would be appreciated.

Please let me know if you require any additional information or would like to discuss.

Kind regards,

Michael Gradwell
