Hi Farhad – thanks for getting back to me.

Yes, I know that condition 7 has already been discharged, but they have submitted amended drainage details in the new application which need to be reviewed again. Please take a look - I expect they're only small changes.

Kind regards,

Tom

Proposal: Discharge of conditions 7 10 and 34 in relation to HPK/2021/0607

Good afternoon Tom

Apologies for the late response, I have reviewed this planning application and have noted that we have already discharged condition No 7 of planning application HPK/2021/0607, please see attached our formal letter of discharge for condition No 7. We do not have comments on conditions 10 and 34 as these conditions do not relate to surface water management.

Please let me know if you need further information.
