For the attention of Tom Hiles

Your ref: DOC/2022/0075

Our ref: DWTHPK624-3

9th February 2023

Dear Tom

Proposal: Discharge of conditions 7 10 and 34 in relation to HPK/2021/0607

Location: Toddbrook Reservoir, Reservoir Road, Whaley Bridge, Derbyshire

Application Ref No: DOC/2022/0075

With reference to the above application, I am responding as the Biodiversity Planning Officer responsible for work relating to the Service Level Agreement, which the High Peak Borough Council and the Trust have signed. The following comments are aimed at providing accurate and up to date information on the nature conservation issues associated with the proposed development.

Response

The Construction Environment Management Plan (P11742/CEMP/0.5) has been re-submitted to take into account amendments to the Construction Traffic Management Plan. We have reviewed Section 4.6. 'Ecology Management' in the new document and have no further comments since our

previous response to the CEMP dated 13th June 2022 (DWTHPK624-2). If you have any specific ecological concerns due to the changes, please do contact me directly.

It is hoped that the information provided is helpful to the Council. If you require any further information or wish to discuss any of the comments made, please do not hesitate to contact me.

Yours sincerely,

Libby Duggan-Jones MBiolSci MCIEEM
Biodiversity Planning Officer

Endnote:

Please see our planning pages <https://www.derbyshirewildlifetrust.org.uk/planning> for ecological advice on submitting a planning application, finding an ecological consultant and information on mitigation and enhancement.
