Dear sirs

I understand a fresh application has made for Redcourt Development despite 2 previous refusals being successful

The area cannot cope with any more traffic

There is a significant congestion problem in the location. Pikes lane us now double parked m, emergency services would simply not get through.

Glossop itself cannot cope with more houses which will generate more traffic

This particular area is especially bad and dangerous at school pick up time

Please consider this applicant further

Regards

Samantha ratcliff
