Subject: 421494 - External Consultation Letter - App ref HPK/2022/0376 (NN)

Categories:

Hi Rachael,

Would it be possible to have an extension to the deadline for this consultation, perhaps until the 9th March? I'm dealing with a number of NSIPs at the moment and may not have time to respond in depth to this before the 2nd March.

From a very quick look, the premise of what the applicant is saying is acceptable, but I will need to make sure their calculations are suitable and in line with the NN calculator's assumptions on water use etc.

Many thanks,

Robbie
