Dear Rebecca and Ben

Thank you for contacting me concerning the appeal of the above company in its efforts to increase the size of its operation at the above address.

I understand it is to be hard next Monday 6 March 2023.

I've read the Officers' report and in my view it misses the important issue that not enough weight is being given to jobs, and too much weight given to limited and localised harm to the greenbelt.

CJK is an important well-established business giving quality employment to people who live in the locality. When everyone is worried about growth, we should be helping them grow.

Moreover, we don't want to lose them from this location. If they have to leave, the environmental impact of staff having to travel some distance to work will outweigh any other small issues you refer to.

In living memory this has always been an industrial estate and indeed is an old mill of the kind which used to be common round here. It should continue to be used for industry, and sensibly expanded, to keep jobs.

I hope this is helpful

Kind regards

Edwina Currie Jones
