Submission: Objection

Comments: I reiterate the comments made in objection to earlier similar applications eg HPK/2020/0334.

I can see nothing in the current proposal that materially alters my opinion and consider it cynical of the applicants to reapply in view of the recently dismissed appeal.

The Highways authority may not consider the narrow roads and poor access to create problems but yet again it has not been possible to empty refuse bins owing to the dense and on-pavement parking.
