Comments: 1/The land to the front of the houses on Yorkshire way includes a footpath that has been in use since I moved to this house in 1995. any development to the front of any of these houses should respect and maintain that path.

2/the previous applicate HPK/2022/0434 for orangery: has been refused, but this application HPK/2023/0020 "change of use application" also references a proposed rear extension without including any elevation or plans.

3/the previous applicate HPK/2022/0434 for orangery: indicated that RED bricks would be used; all of these houses are more of a yellow colour: any extension should be of similar colour

4/ the previous applicate HPK/2022/0434 for orangery: the proposed orangery/extension does have an impact on my privacy; however I support the concerns of loss of privacy/light etc for 5 Yorkshire Way unless privacy wall is constructed or windows removed.

5/ IF a privacy wall is to be constructed between 3 and 5 Yorkshire Way I would like to discuss a shared privacy wall between rear of 5 Yorkshire Way and 42 Hathersage Drive
