Hi James,

Please find attached current photos of our existing toilet block and also reviews below from pitch up with customers disliking the distance.

With regards to the number of tents

Easter weekend and the 3 bank holidays we normally have round 30-35 tents this is similar every year (approximately 120-140 people)

2022 – we averaged 20 tents per week (approximately 50 people)

2021 – we averaged 35 tents per week but this is unusual mainly due to Covid (approximately 75 people)

2020 – we averaged between 20/25 tents

In previous years it's always around 15/20 per week.

I have found the turnover figures for nonelectric camping only back to 2017

2017 – 34925k

2018 – 38k

2019 – 32k

2020 – 33k

2021 – 49k Covid year

2022 – 32k

As you can see the figures are very consistent over the last 5 years

Our season is from 1st March to 31st October, we can have about 5 campers in March and October, the numbers are very weather dependant.

Really lovely site with good facilities, helpful friendly staff. 08/08/2022

- **Pitch type:** Non-electric grass tent pitch (six person)
- Recommend to friends Visit again

Liked: Lovely site, extremely picturesque with great views. Families at the site were all nice and not a hint of trouble. Lots of space to play in for the kids. Clean, perfectly maintained showers and toilets. Nice walk across the fields into Buxton! Would come again!

Disliked: Distance of the toilet block from the camping field. A portaloo next to the top field would be a great addition.

Rated it 7 at 10 02/08/2022

- **Pitch type:** Non-electric grass tent pitch (six person)
- Recommend to friends Visit again

Liked: A very nice and friendly quite site

Disliked: Pitched on a slope, toilet entry needed a code number for the key pad, shower and toilets to far away from pitch . 7 out of 10

n flight path for Manchester airport, not dog friendly at all! 17/07/2022

- **Month stayed:** Jul 2022
- **Pitch type:** Non-electric grass tent pitch (two person)
- Recommend to friends Visit again

Liked: The road out.

Disliked: We chose to come up to the Peak District and heard Buxton was a lovely town so we found this campsite.

The shower block is dated and the concrete mis matched steps are just an accident waiting to happen. Clean showers and toilets but they're a fair walk from the campsite especially if you had to camp at the top end of the site.

Small, quiet park , nice clean shower and toilet block, ... 05/04/2022

- **Pitch type:** Non Electric Camping (maximum 2 adults)
- Recommend to friends Visit again

Liked: Small, quiet park , nice clean shower and toilet block, location was great walking distance to supermarket and pub

Disliked: No lights so when going for a wee in the night it was pitch black and the hill to the toilets is a killer when you've
