Comments: Having been the resident at 1 The meadows for over 20 years we are obviously sensitive to the surroundings but very aware of the realities of modern life . Following a robbery in 2018 when 2 cars were stolen from the drive , and inspired by several other houses on the meadows, the gates are intended to give some added security to the property. This will be particularly relevant with the new granny annex giving peace of mind to elderly parents. The single sliding gate design is proposed specifically for minimum impact on the street scene and importantly, no loss of road parking spaces at the house which will remain unchanged.
