NEW APPLICATION: HPK/2023/0083

LOCATION: Devonshire Dome, Devonshire Road, Buxton.

PROPOSED DEVELOPMENT: Installation of two positive input ventilation systems for radon mitigation at Lismore Villas and Northleigh House, within the curtilage of the Devonshire Dome

Dear James

Thank you for consulting on this application.

The proposed works at Lismore Villas and Northleigh House will have no below ground archaeological impact and on this basis I have no objection. Please consult your own building and conservation officer regarding their potential impact on the setting of adjacent listed buildings.

I hope this is helpful

Best regards

Reuben
