I believe that my property is the closest to the ménage where the horse-riding lessons take place as my house frontage runs almost the entire length of the training-ménage and about 4m away on the opposite side of the lane. I have lived in my property for the last 23 years and Carol has been training young horse-rider-beginners through to experienced horse-riders throughout that time without complaint from us or anyone else to my knowledge. I understand that someone has recently raised a complaint that the allowed number of lessons undertaken by Carol is being exceeded and do not understand how they or anyone else could be adversely affected enough to raise an objection, particularly when virtually the whole area of Woodseats supports horse riding activities and Carol is directly supporting and enabling this. I support this application.
