

Conservation Response.

Date: 06/04/2023.

File/Application ref: HPK/2023/0075.

Case Officer: Rebecca Bowers.

Proposal: 'Proposed rear dormer extension and loft conversion'.

Address: 64 Old Road, Tintwistle, Derbyshire, SK13 1LH.

Dear Rebecca,

Objection.

The scheme shows the installation of a completely alien feature to a modest two storey historic workers style dwelling. The proposed materials are very contemporary against the vernacular, in the wider setting I am concerned this would be very obvious and not an enhancement. In terms of level of harm on heritage, there is some conflict arising from the scheme and therefore this would equate to less than substantial.

Regards,

Miss E Holland.
Conservation Officer.
