Comments: To Whom It May Concern,

We would like to make comment on application HPK/2023/0102 with regards to the 'Privacy Fencing' at Charlesworth Stud, Woodseats Lane, Charlesworth.

The roof-top fencing negatively affects the openness of the greenbelt and is an alien construction that is a visual intrusion on the landscape.

There is no point to the fencing, it does nothing for security or privacy and if the application is successful, it sets a precedent for future constructions of this kind.
