

Conservation Response.

Date: 26/04/2023.

File/Application ref: HPK/2023/0083.

Case Officer: James Stannard.

Proposal: 'Installation of two positive input ventilation systems for radon mitigation at Lismore Villas and Northleigh House, within the curtilage of the Devonshire Dome'.

Address: Devonshire Dome, Devonshire Road, Buxton, Derbyshire, SK17 6RY.

Dear James,

No objection.

Subject to the following conditions:

- As per drwg ref: 2248-02-19 *South west elevation as proposed* prior to the commencement of works on site the proposed air intake for radon mitigation with 110mm UPVC waste pipe capped with mushroom cowl vent is to be a colour to match the front elevation stone at Lismore Villas. The matching colour code detail is to be provided to the Local Planning Authority. The development shall be carried out in strict accordance to this detail once approved.
- As per drwg ref: 2248-02-22 *North east elevation as proposed* prior to the commencement of works on site the proposed air intake for radon mitigation with 110mm UPVC waste pipe capped with mushroom cowl vent is to be a colour to match the front elevation stone at Northleigh House. The matching colour code detail is to be provided to the Local Planning Authority. The development shall be carried out in strict accordance to this detail once approved.

Reason: to protect and retain the character and setting of the heritage assets in the vicinity.

Regards,

Miss E Holland.
Conservation Officer.
