Submission: Objection

Comments: I object to this planning as the plans submitted are incorrect to the work that has been carried out. The proposed plans do not show the new rear access. There is a new metal staircase to the rear and an entrance over the flat roof. The submitted heritage statement says there is to be no change to the rear of the property and none of these changes are shown on the proposed plans.

The staircase and temporary canopy are not shown on the planning application.
