Comments: Really in need of affordable houses to buy in this area.

Certainly in this area where a lot struggle to buy affordable housing.

Looking at this it would be great for myself and 3 children to be able to get a house in such a perfect location, and most important being able to get an affordable house to settle down in.

Still living at my parents due to struggling to find any affordable housing to buy.

Looking at the plans, I'm really excited to see affordable houses being built for myself and children to possibly move into in the near future.
