Comments: My comments made previously in respect of the design of the dwellings apply. I note however that the developers site plan now shows the access road to Adderley Place as part of the site in ownership. This I believe is incorrect. The access road is unadopted with rights of access to the houses and scout hut and cricket pitch off the road. Access onto the zion site cannot therefore be guaranteed. The only access to the site should be directly off Simmondley Lane.
