Comments: With ref to planning applicatioon HPK/2023/0113 re: altering hours of opening.

This application to alter hours of opening for the pizza shop, the unit next to OneStop shop at Gamesley. The proposed hours , 12noon to 11pm and especially on a Friday and Saturday from 12 noon to 1 am in the morning are completely unsuitable for those who live in close proximity to the property. The row I live on, the main bedrooms all face the car park directly behind this shop and any noise echoes across.

Cars will be coming on at all hours, slamming car doors, etc till nearly 1 am in the morning!!

I also anticipate the amount of pizza boxes probably strewn across the estate, and possibly on the car park, for those who sit in the car to eat their pizza, then throw their box and remains out of the window. This happens now from some cars who park to go in the OneStop shop. The park up and decide to emty their rubbish remains onto the grass verge or the car park! Providing a bin will not solve this probelem, because there are many people who do not know how to use a bin!

So if the hour of 1am is passed, then comes 6:30 am to 7 am where the artic lorries arrivee to deliver to the OneStop! We are woken every morning bec ause of this.

So I please implore you not to allow this 1am opening of this pizza shop. It is easy for those of you who make this decision when it is not affecting your lives. We have to live with it every day! 10pm is late enough for this shop to be open till. !! pm you may say is ok, but dont forget that there will be those wo buy a pizza and then eat it at the side of the area, shouting, laughing, then throw away the box, and peerhaps remains of pizza! Totally unacceptable.

I have also asked neighbours their thoughts on this matter, and I have a list of names of those who disagree with late hours opening. I have 14 names at this time, and have others to speak to yet.

Thank you for listening.
