Application no: HPK/2022/0059

Determined on: 05/05/2023

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015

REFUSAL OF PLANNING PERMISSION

Location of Development:

27, Post Street, Padfield, Glossop, Derbyshire, SK13 1EF

Description of Development:

Install dormer onto the rear of the property and a mono pitch single storey extension on the rear

High Peak Borough Council in pursuance of powers under the above mentioned Act hereby **REFUSE** to permit the development described above in accordance with plans refs: Buy A Plan Location Plan; 1 – Existing and Proposed Plans and Elevations; 2 – Site Plan; and 3 – Existing and Proposed Side Elevation

for the reason(s) specified below:-

1. The site is located within the Padfield Conservation Area, which is a designated heritage asset. The proposed rear extension would result in the complete loss of a rear yard which is a traditional feature of terraced properties in this part of the Conservation Area. As such the development would result in an overdevelopment of the site which fails to respect the existing pattern and grain of development in the area and would appear at odds with its surroundings. The development would result in an incongruous form of development that would cause demonstrable harm to the character and appearance of the Conservation Area and would fail to preserve or enhance the heritage asset. The proposals would cause less than substantial harm to the significance of the heritage asset, where public benefits would not outweigh the harm. In addition, the dwelling benefits from limited enclosed amenity space and the development would result in the complete loss of this area, which would be to

the detriment of the living conditions of existing and future occupants. The development proposals would therefore be contrary to Policies S1, S5, EQ6 and EQ7 of the High Peak Local Plan 2016, the High Peak Residential Design SPD (2005), and relevant paragraphs under Chapter 12 and 16 of the NPPF.

Informative(s)

1. The Local Planning Authority (LPA), in reaching this decision, has followed the guidance in paragraph 38 of the National Planning Policy Framework. The Framework advises that the LPA should work proactively with applicants to secure developments that improve the economic, social and environmental conditions of the area. In this instance amendments to the scheme to overcome the concerns would not be minor and as such have not been suggested.

1. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
2. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
3. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
4. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://acp.planninginspectorate.gov.uk>
5. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
6. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common
