Submission: Objection

Comments: To our knowledge the site in question was to be used as a personal allotment which we have no issue with. The volume of vehicles however parking outside it, we do. It's a single track lane and it's already not unusual for there to be 2-3 cars parked in the entrance plus a motorbike. This makes it difficult for other users of the lane including parents, children, sometimes in buggies, the elderly etc not to mention other vehicles. There is no other viable route into Taxal hence the only access for the emergency services. Allowing the site to become commercial will increase the risk of an accident.
