

Derbyshire Wildlife Trust – Meeting Minutes

26/07/2022

Attendees

Alastair Sommerville – Urban

Craig Stevens – Urban

Phoebe Cox – Derbyshire Wildlife Trust (DWT)

Matt Buckler – Derbyshire Wildlife Trust (DWT)

1. Urban discussed the requirement to achieve an increase in biodiversity net gain of 10% over the current ecological value of the site.
2. Urban advised that they had been pointed in the direction of DWT to assist in the achievement of the BNG requirements by way of purchasing off site units through DWT schemes
3. DWT confirmed that they were looking to offer this service on habitat within the Derbyshire region and have identified 3 sites
4. DWT confirmed that whilst at this stage, they were unable to offer the service and were unable to confirm when they would be able to offer the service
5. DWT confirmed that the cost of units were looking to be in the region of £23,000 - £25,000 per unit
6. DWT apologies that they were unable to assist Urban at this time
