Submission: Objection

Comments: Access to this land is extremely restricted and hemmed in by already bunched together housing. The loss of green spaces in Buxton is appalling and I believe more housing is detrimental not only to Hogshaw, but Buxton? There are thousands of houses being agreed to by an ill conceived planning policy. It's unsafe to build so many houses in a town that can not support or cater for a vast influx of people to its facilities which are totally inadequate to provide services, the council can not provide adequate services for those that already live here.
