Comments: I would like to take up with the Highways Dept. comments that there is no problem with the Pizza shop regarding parking etc. Cars are already parking at the bottom of the carpark, which is the entrance and exit. Also parking on the road just around the corner. So if a vehicle is leaving the carpark, they have to exit on the righthand side because of a parked car, and then exit onto the outside lane to get round the car parked on the corner. you then have to be aware of any traffic coming round the ring road. As of yet, no accidents have happened. Obviously, this could get a lot worse with the number of cars parking for a pizza.
