Subject: Mossley Hollins - Thank you

Hello Deborah,

First of all I would like to say thank for your hospitality during both our stays at Crossgate Farm. You did everything in your power to make our time on camp enjoyable, comfy and safe.

Over our 2 stays we brought 75 pupils ages 14-16 completing their Bronze and Silver expeditions. The location of the campsite is fantastic and allows a number of different walking/hiking routes to be accessed for both Bronze and Silver. The site has wonderful views and is in a safe location with easy access for emergency services.

I would encourage schools to use this campsite as much as possible for both DofE and school trips. The suitable walking routes and variety available is extremely hard to find which makes this site very sort after.

Thanks,

Jack Miller
