Submission: Objection

Comments: I would like to object to this planning application as it is being built on 'Green belt land'.

Green belt is not 'brownfield site land', it is there for everyone to enjoy, prevents flooding, provides fresh air, places of habitat for wildlife, bird life and insect life, a place of beauty and a place for leisure and activities away from urban noise, pollution and prevents urban sprawl.

It is an outrage that greenbelt land, which once has been taken away and built on, can never be replaced. It is not a commodity to be bought and sold at will.

There are plenty of 'brownfield' sites to use up.
