Subject: Adderley place growing concerns I er developments

Dear James,

As a resident of Simmondley I'm still extremely concerned about the proposals. Simmondley Lane is already backing up with traffic so much I can't see how this situation can be approved when it will make this situation unbearable for residents

I am also deeply saddened by the potential loss of these fields where I take my dog and child. I don't know why anyone would want to do this to such a wonderful area for the people of Glossop. Soon we will have nowhere green left I don't see how these developments can be of any benefit to the people of this community. Nobody I have spoken to in Glossop and the surrounding area wants this, so why are they being considered.

I have already raised an objection what more can I do as a really concerned resident?

Kind regards

Emma Kane
