Submission: Objection

Comments: We object to the planning proposal. The residents on Calico lane/Bank view not consulted originally as admitted at the public meet - Novus / proposers did not know we existed. Marsh Lane and Station simply cannot cope with normal traffic now in particular over the pack horse bridge joining Marsh Lane /Station rd. On Marsh lane towards new mills residential cars parked make the road difficult and dangerous to navigate now and there have been countless accidents at the approach to the church. The is not suitable for site access or heavy lorries both for safety and pollution. Unsafe rd. Also the station crossing now causes tail backs and normal traffic finds it very difficult to move off Station rd to A6
