Submission: Objection

Comments: The application is misleading, it states 'non-students' when it has been revealed to the public that this is for those awaiting asylum applications.

The town does not have the infrastructure and services to house more people, we don't even have the capacity to cope with the increase in houses we are seeing.

This building would be of better use as an affordable care home, or over 55's accommodation for those who are on a waiting list.
