Buxton

Submission: Objection

Comments: Buxton is already a nightmare to commute in and out of during peak times of the day and during the holiday season. We want to keep bringing tourism into the area, not put people off because there is a lack of infrastructure that can cope with traffic.

Increasing the housing will only add to this problem as well as add more pressure on local schools, GPs, dentists, police etc. it's already difficult to get a doctors appointment, impossible to get an NHS a dentist and if you need the police, need to point out the obvious.

All that building these houses will do is add more pressure to Buxton, and the council should be focusing on local needs and issues rather than building more houses!! Which there's a huge number of houses still for sale so there's not a housing shortage!
