NEW APPLICATION HPK/2023/0181
LOCATION 2 Bluebell Close Hayfield
PROPOSED DEVELOPMENT Proposed single storey side extension to form utility and larger kitchen / dining

Dear Pet

Thank you for consulting on this application. The proposed development area partially overlies the site of the Hayfield Calico print works (MDR448) established in the middle of the 19th century. However the footprint of development overlies the former millpond which has previously been developed. There will no archaeological implication and we have no objection.

Best regards

Reuben
