Submission: Objection

Comments: I live on marsh lane not far from the proposed site, I strongly object !!

I believe if this goes ahead it will greatly reduce our house prices , no one would even consider buying a house with this monstrosity on their doorstep .

We moved here for peace and tranquility as I am in l&ll health , we love the views and feel this monstrosity will spoil all this !

This area is Beautiful and green and the wild life is stunning and allowing this to go ahead will cause a great loss in both.

The noise and disturbance the traffic and construction will cause to this beautiful area is frightening and as these dangerous batteries will not even benefit the people of new mills I believe this should not go ahead! I STRONGLY OBJECT!!
