Submission: Objection

Comments: Buxton surely cannot safely support a large scale asylum dispersal centre. The medical and social support required is lacking in a small market town. I can see the attraction of this scheme to Derby University but it would be to the detriment of the town and residents as a whole. A small number of asylum seekers could perhaps be accommodated but not on the scale which seems to be being proposed. Would there be any means to limit the numbers? How would the scheme be policed?
