GEN/2022/0096 - 2 Turnlee Drive, Glossop

Date (must be pre-application submission)

11/12/2022

Details of the pre-application advice received

06/02/2023:

- set side extension back approximately 300mm in order to give the appearance of being subordinate of original building.
- reduce width of side extension to maximum 50% width of original building.
- omit decking due to potential loss of privacy to 4 Turnlee.
- show minimum 3 off-street parking spaces.

Further advice sought 01/05/23 and kindly received:

02/05/2023:

- reduce width to 2.7m and have a consistent width, though plans possibly confused with those of 33 Turnlee Drive which were provided as a supporting document.
- additional parking acceptable subject to Highway Authority assessment.
- no planning permission required for removal of trees within site boundary.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
