Comments: The town is already short on drs and dentists, school places, police and housing for its own residents in need of housing. Buxton therefore has no infrastructure in place to address and cope with the needs we already have. The site right in the centre of town is unsuitably located. Buxton is a tourist town and is finally being recognised as the Spa town it should be with the newly refurbished Crescent Hotel and spa being a major attraction having a detention centre for illegal immigrants in the centre of Buxton will not encourage tourists to to come visit, stay and spend money in the town.
