Submission: Objection

Comments: I feel this is a mistake due to the already huge pressure on local services and infrastructure. Whilst I sympathize with genuine asylum seekers I have also read and seen news of asylum seekers harassing locals at other places they have been and would not feel comfortable with my wife and 3 children walking around Buxton. I do not wish to paint everyone with the same brush but there will always be that concern that it could happen in Buxton. I read an idea on another objection where it was suggested that it be used as a care home or supported living for people in need of it which I wholly support and think is a much better use of the building.
