Submission: Objection

Comments: I strongly object to the proposal by H.P.B.C. and Derby University to use the former student accommodation on Bridge Street, Buxton. as an asylum dispersal centre, 1, this town has not got sufficient police officers available for any possible altercations which could arise, 2, the site is a matter of hundreds of yards from a newly constructed retirement centre, 3, it is impossible to receive N.H.S. dental care in Buxton, 4, the sheer mass of asylum seekers would inundate the small town facilities, 5, schools are already at capacity in the area, 6, local hospitals are not equipped to deal with a sudden demand from non English speakers. please let Buxton residents decide what happens in our home town, why has there been no mention of a demob facility for ex service staff who are desperate for accommodation.
