Submission: Objection

Comments: I'm confused. If there is such concern over people in need then why is this accommodation not being offered to the countless young homeless people currently living on our streets?

Surely, anyone with half a brain would tell you that there's a desperate need to help our homeless.

If these asylum seekers are fleeing in fear from their homelands then i wonder why on earth they do not claim asylum when they reach the first safe country they encounter on their travels to England.
