Submission: Objection

Comments: I object to the use of the accommodation for Asylum Seekers. Buxton is a small tourist town and although millions have been spent on things like the crescent hotel to better this, the infrastructure supporting the town is already not good enough for the current population - without Asylum Seekers. Doctor's, NHS Dentist's, Social services, Policing, School Places are currently not sufficient for the current population we have now! Also the roads and public transport are dreadful ly inadequate.
