Submission: Objection

Comments: I object to the application. However, I would remove that objection if the applicants can be legally bound to only allow Buxton residents of at least 2 years standing to take up the units concerned as affordable/first home accommodation. With the great number of new homes built in or near the town in recent times (with apparently more to come) Buxton's infrastructure, health services, Police and Social Services are already overburdened. Any further influx of people will only be detrimental to the health and well being of its present inhabitants.
