Submission: Objection

Comments: It is totally unacceptable to change the use of the existing building to house asylum seekers and illegal immigrants in such a sensitive and central area of Buxton, the town has no hospitals, or other facilities to cope with the huge numbers of people expected, the doctors in the town are currently overwhelmed. Buxton is a tourist town which relies on visitors for its economy and the nature of these people who hang around in groups is intimidating for locals and visitors alike, if approved it is likely that there will be a significant increase in crime and attacks on women and it is likely to promote a culture of violence between the residents of the flats and the population of Buxton. I strongly urge that this application should be rejected.
