Submission: Objection

Comments: I strongly object to using the Halls as a migrant disposal centre. Buxton is the main, albeit small, town in the centre of a rural area. It is a central location for locals to shop and many tourists visit from across the country and abroad. As seen in the media the migrants hang around outside their accommodation in groups due to having nothing to do which can be intimidating and will deter visitors to the town impacting local businesses. It will cause additional stress on local services/facilities. I cannot see any cultural or financial benefit to the people or businesses of Buxton, just detriment.
