Submission: Objection

Comments: Buxton does not have the infrastructure and services to house more people. It will put tourists off visiting, which will have a massive financial effect on an already struggling area. How will this be policed to ensure there is no danger for the residents of the town? What are these people supposed to do and where will they go while waiting for their applications to be processed? There are many elderly and disabled residents in and around Buxton who are very vulnerable, how can they be kept safe?
