Comments: Buxton is a small rural town and is totally unsuitable as a site for an asylum dispersal centre. There is insufficient infrastructure and the risk to personal security will increase dramatically without, putting residents at risk and adding additional strain to local police etc.

This appears to be a money-making initiative by Derby University now that they have decided to withdraw the university facilities.

I am extremely opposed to this planning proposal which will be detrimental to the wellbeing of the residents of Buxton who fund the Council. Instead, the site should be used for accommodation for local residents who are already living in Buxton.
