Comments: As a resident of Buxton for my entire life, myself and my family are in full opposition to this application. This application cannot sustain more people in the town when we do not have the infrastructure to support existing residents safely. I, along with countless other friends and neighbours, feel that we would be creating a troublesome situation by introducing asylum to this very small town that many of us consider a safe haven for ourselves and our children. There is proof that this has caused gang culture and violence in other areas and we do not want to see this happen to our beautiful town.
