Comments: I object to this campsite on the grounds that I have been subjected to a complete loss of privacy. The campers tend to expose themselves while urinating all within eyesight of my rear garden. There is noise and smoke coming from the site and the tents come down to the rear of my home. They sit in cars with their headlights on shining into the kitchen. It worries me that strangers could easily climb over my fence. I am severely disabled and have no ability to go anywhere other than my home and garden. This campsite has caused me nothing but stress and anxiety since it started. I oppose this campsite as I feel that as an old age pensioner who is disabled, my concerns have not been considered when this site started.
