Comments: I believe that the consultation of this proposal should be openly and transparently discussed, are there enough, health care providers in the vicinity, are there enough schools that are equipped to deal with these children (they require special measures due to the lawless nature of their previous situation, I have an eye witness testimony from a teacher that has taught in this environment) are there enough police to attend the increase of antisocial behaviour and criminal incidents that rise in relation to these abodes? I am aware that currently Derbyshire is short of 70 detectives.
